Let me thank you for your letter of October 27. I am glad that the political situation makes it possible to carry out my visit to Washington as proposed, and I appreciate the possibility to conduct intensive talks with you, especially at the present time.

Also I wish to thank you for the two letters, handed to me by Ambassador Dowling last Sunday, in which you informed me on the situation in Cuba as well as on your proposal for General ~~Mark~~ Norstad's remaining as SACEUR until the end of the year. Ambassador Dowling will have advised you that I welcome this proposal very much.

Mr. Dowling has also, I suppose, kept you informed on my views in the various phases of the Cuban crisis. I wish to congratulate you on the manner in which you have met this crisis. You have rendered a

Eyes Only decisive service to the free world.

~~EXCISE~~ REVIEW

Cordially yours,
